For over 40 years, Dan'l Boone Inn has been serving Boone and the high country delicious home-cooked meals, just like you remember at grandma's house. Our family style meals begin with a salad in the summer and soup in the winter. Three meats and five vegetables are served along with biscuits, preserves, dessert and beverage. A full family style breakfast is served on Saturdays and Sundays.

Dan'l Boone Inn has recently been honored by both Southern Living Magazine and Our State Magazine, for our country cuisine. The restaurant placed third in Southern Living in the reader's choice awards for country cooking restaurants. We also won first place among readers of Our State Magazine for Family Dining/Country Cooking and third place under Best Restaurant in North Carolina.

From NC Highway 105:

Follow Highway 105 to the intersection of Highway 321. Turn left and remain in the left lane. The restaurant is one block past Appalachian State University on your left.
